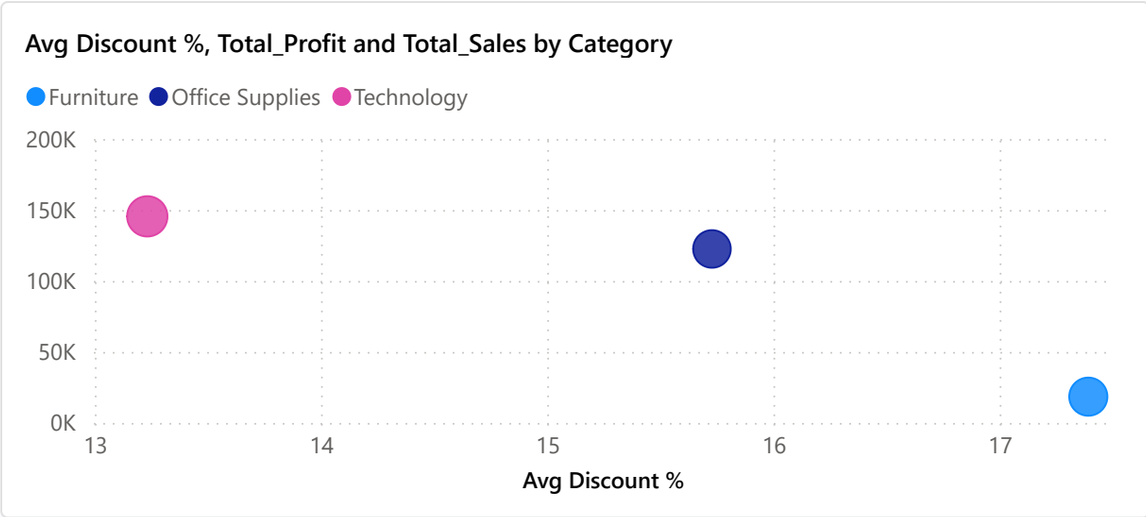
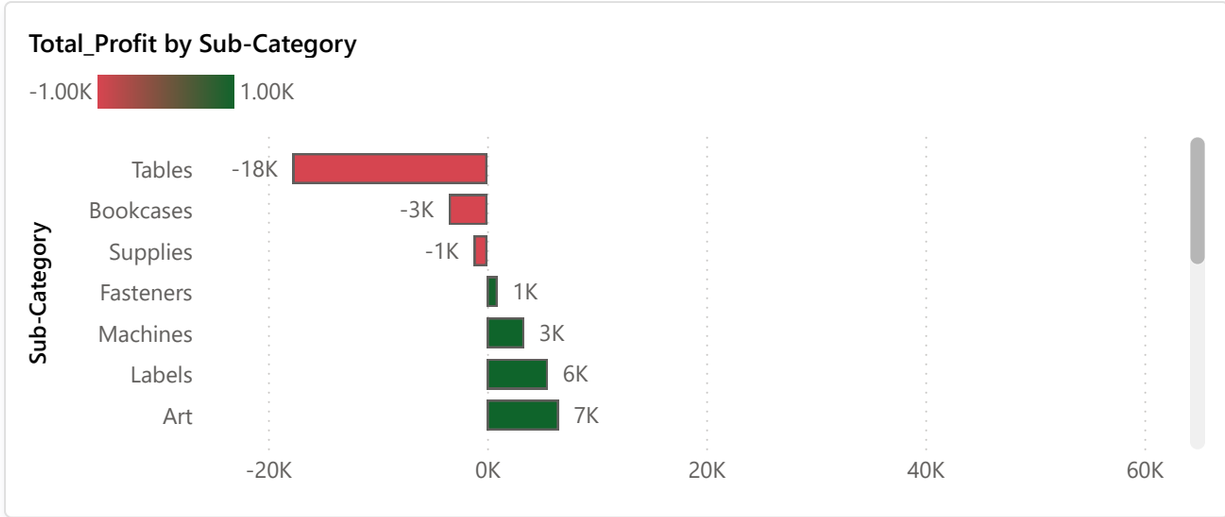
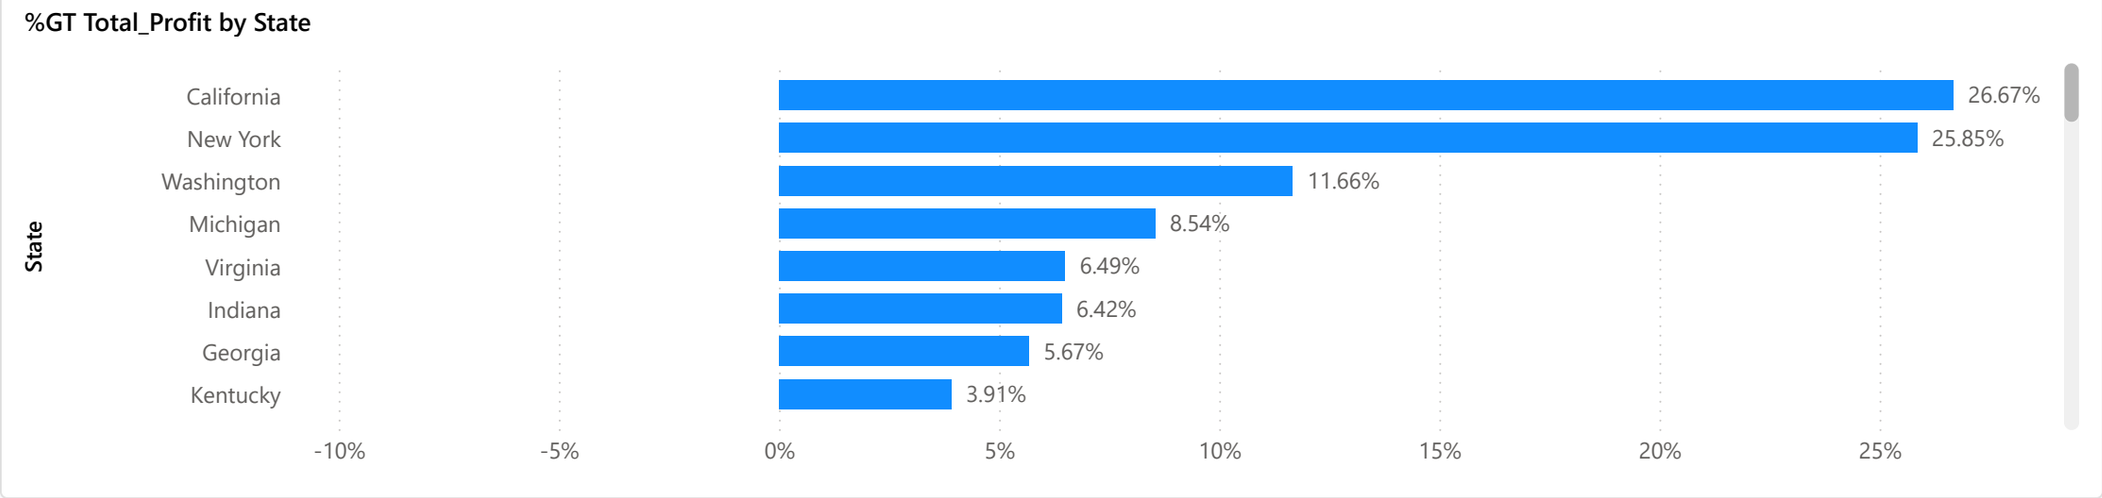
Where Exactly are we losing money?







BUSINESS FINDINGS & RECOMMENDATIONS

Finding 1: Central Region has lowest profit margin
→ Recommendation: Audit discount approvals in Central.
Cap discounts above 30% without manager sign-off.

Finding 2: Tables and Bookcases are loss-making sub-categories
→ Recommendation: Review supplier pricing for these lines.
Consider discontinuing low-volume loss SKUs.

Finding 3: Discounts above 40% always generate losses
→ Recommendation: Implement a discount ceiling policy.
No order above 40% discount without VP approval.
